

Nomis^{smart}

Instrucțiuni de instalare

Potrivit pentru vasul de toaletă suspendat din seria E412

Măsuri de siguranță

Explicația simbolurilor

PERICOL

Se referă la o situație potențial periculoasă care poate provoca vătămări grave sau deces.

AVERTISMENT

Se referă la o situație potențial periculoasă care poate provoca vătămări sau pierderi materiale.

INTERZIS

Se referă la acțiuni care sunt interzise.

**OBLIGATORIU
DE RESPECTAT**

Se referă la regulile care trebuie respectate.

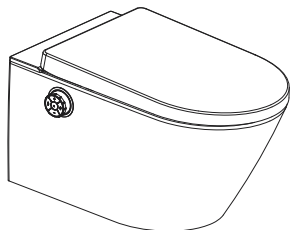

AVERTISMENT

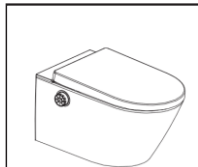

Furnizorul nu va fi responsabil pentru nicio pierdere rezultată din nerespectarea următoarelor reguli:

1. Acest echipament este un aparat electric de tip „I” și trebuie conectat complet la sistemul de împământare.
2. Dacă cablul de alimentare este deteriorat, acesta trebuie înlocuit de producător, de un agent de service sau de persoane calificate, pentru a evita orice pericol.
3. Acest echipament este electric, nu trebuie instalat într-un loc unde poate fi stropit cu apă sau expus la temperaturi ridicate. Vă rugăm să instalați un ventilator de evacuare sau o deschidere de ventilație pentru a asigura o bună aerisire atunci când se utilizează în baie.
